Southern Time Joins Designa as US Business Partner

Chicago/Kiel, 10-20-2017: Southern Time Equipment Company of North Carolina recently became the newest US Business Partner for DESIGNA USA. Southern Time joins the growing group of industry-leading companies to partner with DESIGNA to bring future-proof parking systems to their customers. Founded in 1951 in Kiel, Northern Germany, DESIGNA's clear and visionary standards have led to the development of innovative products and solutions for the parking management sector for more than 65 years.

Norm Hogg, Vice President and General Manager of Southern Time, stated that his company joined DESIGNA because it is a world-class company, with the industry's best technology and a commitment to continued innovation. "At Southern Time, we understand today's leading-edge technology and understand the importance of providing our clients with solutions that can easily evolve into tomorrow's emerging technology," said Norm Hogg. "Designa's integrated intelligence is continually adapting to future technologies and trends. And that's good for our clients."

"We're pleased to welcome Southern Time as a US Partner," said Bob Kane, President of DESIGNA USA. "The company is a leader among system integrators, with an outstanding reputation and four decades of experience serving customers throughout the Carolinas."
