

PRESS RELEASE

DESIGNA at Menlyn Shopping Center, South Africa

Parking space management for over 8,000 parking spaces

Kiel, 2017-11-29: With many awards and an area of more than 177,000 m², spread across 500 stores - this is how the Menlyn Shopping Center in Tshwane, South Africa, presents itself. Just over half a year ago, DESIGNA Partner Servest South Africa has installed a comprehensive parking management system here.

Embedded in the green and modern architecture of Menlyn Park, 16 ABACUS IN + and 13 OUT + devices, as well as 47 pay stations, ensure parking of visitors with great success. Especially: The Pay station integration with Chip & Pin Credit Card, Lost Ticket functionality as well as 2D Barcode Scanner for parking discounts utilizing retail store till slips.

The city of Tshwane has nearly three million inhabitants and is an up-and-coming city with over 170 embassies and consulates: second place behind Washington D.C.
